Pretty, Wavy, Curling Hair Without Hot Iron

Let me tell you of a simple method which is a favorite of the belles of a certain exclusive social set. I'm sure you would like to know of it, because it will give your hair such a pretty curl and luster and permit you to do away with the ruinous waving iron.

Just get from any drugstore a few ounces of ordinary liquid silver nitrate and at night apply a little with a clean tooth brush, drawing this down the full length of the hair. In the morning you will have a real surprise, the fascinating, fluffy, wavy effect will appear as natural, and there will be no greasy, lustrous, sticky or other unpleasant traces of this harmless liquid. You will also find this a splendid dressing for the hair—Mama Morrow in the Club.

DYER COUNTY WITHOUT SOLON AT NASHVILLE

DYERSBURG, Tenn., April 10. (Sp.)—Dyer county was without solon representation in the general assembly, the two candidates, Ed Williams, of Newbern, and Gordon C. Dyer, of Dyersburg, having agreed to withdraw from the race. An election had been called and the above two candidates announced, but at the last moment withdrew. In some of the county precincts, however, not receiving word in time, elections were held. J. M. Beasly, who represented the county, met a tragic death in an automobile accident in Nashville.

DESTROYER REACHES ISLAND UPON CRUISE

WASHINGTON, April 10.—The destroyer Barney, which has been cruising on the North Atlantic coast observing possible landing places for enemy submarines on the trans-Atlantic flight which will start from Rockaway Beach, N. Y., next month, has reached Newfoundland.

A dispatch today to the navy department said the vessel had encountered considerable ice off the coast. On the first attempt to reach Newfoundland she was held up by ice and forced to return to Halifax.

FIRST FOOD SHIPS QUIT GERMANY IN BALLAST

BERLIN, April 10. (By the Associated Press).—The first of the food ships that reached Germany had to leave in ballast, one of the return trips being in all Germany there could not be collected enough freight to load them. It was announced in an official statement that the ships were to be loaded with foodstuffs completely. The announcement concludes by propounding the question as to how long the entrance will be willing to deliver food under such conditions.
